A stunning Cotswold stone house in the heart of the village

Description

9-10 Sherborne is a superb Grade II Listed Cotswold home in a fabulous village. Formerly two separate cottages, the house has been elegantly renovated and extended combining the cottages to create a fabulous Cotswold home which seamlessly blends stunning original features with contemporary design. The house is very versatile and adapts superbly to both warm summer and cosy winter living .

The bespoke kitchen/dining/ family room is clearly the heart of the house and a beautiful room in which to entertain family and friends, host dinner parties and have informal gatherings.

Sliding glazed doors lead to the terrace and garden allowing for indoor/ outdoor living in the warmer months. The kitchen is well equipped with all the necessary modern appliances, including an electric Aga, and there is plenty of storage and work top space. The larder is the cook enthusiast's dream!

The house has both a wonderful open plan living space which works superbly alongside cosy rooms. The sitting and drawing rooms are ideal for family movie nights and quiet afternoons with a good book after a long country walk exploring the Cotswold countryside. The wood

burner in the drawing room adds extra warmth in the colder months. There is also a games room on the ground floor and the study, with open fireplace, is perfect for working from home. The utility room keeps the piles of washing out of sight and is helpful for drying all the family's clothes.

The first floor, accessed by two separate staircases, comprises the master bedroom. The room is bright and light with large velux windows overlooking the garden. There is also a dressing area and an en suite bathroom. There are four further bedrooms on this floor and two bathrooms, all with views to the front or rear gardens.

The landscaped garden is a true haven of peace and tranquility, predominantly laid to lawn and interspersed with colourful herbaceous borders and a variety of fruit and specimen trees. The terrace is ideal for al fresco dining and summer entertaining and the garden rill sets the tone for a quaint and peaceful setting. There is a stone store and a shed which come in handy for all the garden tools, a Gabriel Ash greenhouse and a garage which currently provides further storage.

There is private driveway parking to the front of the house alongside the garage.
